# WHAT TO EXPECT

Throughout SLU 101's 25+ year history of live events we have made and kept a promise at each conference: you will receive a year's worth of leadership development in just three days. This promise and commitment will not change. So, we left the lab of inventing and went over to the kitchen to start cooking up SLU 101 Reimagined. Here are the 10 ingredients/ideas that are the recipe for this experience:

## EXCELLENCE

Discover what determines 'excellence' and how we rise above mediocrity.

## MINDSET

What is God's purpose for the mind and how do we become mentally tough?

## PERSONALITY

Discover the uniqueness of you and how you can uniquely influence.

## TIME MANAGEMENT

Comprehend and appreciate the fragility of time, and the liberating feeling of time redeemed.

## STEWARDSHIP

Awaken to a fresh, yet tried and true, approach to holistically caring for that which has been entrusted to you.

## WORLDVIEW

How can you see and process the world around you through the grid of Scripture?

## RELATIONSHIPS

How do we build positive and lasting relationships in a connected-disconnected society?

## DREAMING

You were created to be creative and will be equipped to answer a life-altering question, "what would you do for the glory of God if you knew you wouldn't fail?"

## CULTURAL ENGAGEMENT

Learn how to join the coalition of those who engage in doing good (salt) in the name of Jesus (light).

## PRACTICAL

Components of leadership: discover the seemingly small best practices of leadership and discern the powerful impact they have on the journey.
